With entry to the European Union, continuously improving standards, low cost of living and friendly welcoming people, prices are set to rise even further providing ideal investment opportunities.

Formula One

It is strongly rumoured that a Formula One track is to be built near the town of Kavarna, which is five kilometres from the Fairways Seaview Apartments. Investors have already presented their plans to the Mayor of Kavarna.

Balchik

The lovely historic town and developing marina of Balchik is located in a beautiful coastal inlet and set to be one of Bulgaria's most exclusive areas. The botanic gardens lie in the heart of the town and contains 3,000 rare and exotic plants, including 200 tree species and a unique collection of 250 cactus species. Built by the Romanian Queen Maria in 1918 who was struck by the natural beauty of the area and built a summer palace, chapel and a villa for use by Romanian aristocrats and a stone throne where she used to love to watch the sunset.

Albena

Albena is undoubtedly a magnificent resort. With seven kilometres of long, sandy beach and surrounded by lush forests, the town is lined with local market stalls, neat flower beds and lawns. The streets are largely traffic free, allowing a miniature train to take you from one side of town to the other, for the cost of a few pence. At night, the town comes alive with its classy pavement bars and restaurants edging the beach.

St Konstantin

One of the older tourist resorts on the coast, St Konstantin is a relaxing and elegant resort. It is set amidst a picturesque park with sandy beaches and mineral springs. It takes its name from the monastery that once stood nearby.

Kavarna

This lively port town has restaurants, beach side bars and cafés and is strongly rumoured to be host of the new Bulgarian Formula One racing track. Kavarna is also becoming a mecca for Rock Music, having played host to Black Sabbath, Deep Purple and the Scorpions to name but a few!

Golden Sands

The lively resort of Golden Sands is the largest beach resort on the Northern Black Sea coast and is famous for the purest sand on its 5 km beach. It offers a superb setting surrounded by greenery. It is excellent for all kinds of watersports, and also features a casino and many bars and restaurants.
